November 7, 2011

Lord God, heavenly Father, keep us always mindful of the fact that our home in this world is only temporary, and that You are preparing and eternal dwelling place for us in heaven. Give us the faith to trust Your Word and cling to the promises You have given us. Help us guide us in doing and saying such things which show that the Holy Spirit lives within our hearts. May we always be prepared to leave this present world and be received by our Savior into the glories of eternity. Hear us for Jesus' sake. Amen.

Culver's Night—Tonight is Culver's Night! St. Andrew's will receive 5 – 10 % of the sales at the Cottage Grove Culver's from 5:00 – 7:00 p.m. Make plans to have dinner at Culver's tonight! It is a good time for good food and fellowship!

Box Tops & Milk Caps—Thanks to all the students who participated in the October contest! Mrs. Tjernagel's class brought in over 2330 items and won first place! Her class won a cupcake party! Great job!

Box Tops were counted and mailed in for \$540, and the Kemps milk caps were also mailed in for \$288. Special thanks to Dianne and Tony Janski for mailing them in. A big thank you goes to Betty Lou McMaster and Karla Monn for being the contact people for the Box Tops, Milk Caps, and Campbell's Labels! Keep collecting! We'll have another contest in February.

St. Andrew's T-Shirts—The T-shirt order is into the printer and will be ready for pick up very soon! We still need the money for some of the orders. The cost was \$4 per shirt that you ordered. Please send that in to St. Andrew's as soon as you can. Some of you have paid, so ignore this reminder.

McDonald's Day—This Thursday is McDonald's Day. Please have your order and money returned by noon on Wednesday. Thank you.

School Cleaners—School cleaners are very important. We need the school cleaned each night. Thank you to those who signed up for some days already. We are still in need of many days going forward. It only takes 30-60 minutes a day to clean the school and make it safe for the children! If each family can clean 1 or 2 days a month, we won't have any problems getting the school cleaned. Thank you very much!
