October 24, 2011

Dear Father in heaven, often we become discouraged by the problems, trials, hardships, and heartaches which we experience. But, we also know that You promise to be with us and meet the difficulties we face.

We are encouraged by Your promises and strengthened by Your presence. We rely on You for every blessing. You are our best friend. May Your Holy Spirit ever live in our hearts; then we will follow Your direction; then we will believe Your promises; then we will be encouraged by Your love. We pray in the name of the Savior. Amen.
