September 26, 2011

Dear Father in heaven, You have given us the Holy Scriptures so that we can ever learn Your Word of Truth. May Your Spirit ever rule and guide our hearts so that we continue to grow in our faith and understanding of Your Will. We realize that we should set a Christian example for our children as well as provide for their Christian education. We ask that you continue to motivate us and supply us with what we need to carry out this task. May we all be students of Your Word throughout our lives. Hear us for the Savior's sake. Amen.

Wednesday, October 12—PK – 6 Field Trip—Miss Nelson is Missing—10:00 a.m.
Friday, October 14—PTO Capture the Flag Night

Broadway Day—This Thursday is Broadway Day. Please have your order and money returned by noon on Wednesday. Please keep the Broadway money separate from the Pizza money. Thank you.

Pizza Day—This Friday is Pizza Day. Please have your order returned by noon on Wednesday. Order enough for the grandparents to eat also. Please keep the Pizza money separate from the Broadway money. Thank you.

Science Fair—Each child was given a Science Fair packet. The Science Fair is a requirement for students in grades K – 6. The children in PK are welcome to do a project as well. Look at the packet for more information on the event. Please follow the timeline that is in the packet. The students should have their project picked by this Friday. The projects are due on Tuesday, October 25. Have fun!!!

Adult Coed Softball—We are still looking to reschedule. More information will come out later on this. Hopefully you can play this time around!

PTO Meeting Dates—This year the PTO is going to focus on providing social activities that give parents, teachers, and students and opportunity to interact throughout the year.

The first event will take place on **Friday, October 14, at 6:00 p.m.** It will be a large game of capture the flag. The date and time has been changed because the St. Croix Lutheran High School Homecoming game is on October 7. Some of our students will be participating in the halftime Kick, Pass, and Spike event. Please make the change on your calendars. Thank you.

School Cleaners—School cleaners are very important. We need the school cleaned each night. Thank you to those who signed up for some days already. We are still in need of many days going forward. The schedule for the cleaners that signed up will be included in the Tiger Tales. All the dates in September, except for September 28, have been selected. If you can clean on September 28, please let Mr. Oakland know. It only takes 30-60 minutes a day to clean the school and make it safe for the children! If each

family can clean 1 or 2 days a month, we won't have any problems getting the school cleaned. Some days in October that are open are as follows: 5, 12, 26, 27, and 31. Thank you very much!
